Re: Water Right No. G2-27623 for Aspinwall Estates Water System

Dear Mr. Robischon:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence is shown in development. The Aspinwall Estates system is currently serving 20 connections and Washington Water Service is in the process of consolidating the system with the neighboring Inlet Heights system.
- Additional time is needed for full build-out of the consolidated system due to local development patterns and demand for municipal supply.

The new deadline to submit your *Proof of Appropriation of Water* is **September 1, 2019**.
